Celebrating Spring Renewal

Come and celebrate renewal of the Earth, of the Spirit...

with **Murshida Darvesha, Bernie Skydrummer, Shivadam,** and beloved SW leaders and musicians

...at WIND SPIRIT DANCE CAMP!

7th ANNUAL SOUTHWEST REGIONAL DANCE CAMP IN THE BEAUTY OF RURAL ARIZONA

April 26-29, 2018 (Thursday evening through Sunday noon)

This year, we will have a special Saturday night “Dance party” celebrating International Dance Day!

Springtime at Wind Spirit offers up an abundantly verdant and revivifying oasis for all as we celebrate the beauty of the Earth. Almost like the hub of a wheel, Arizona's lovely, earthy Wind Spirit community is situated near the geographic center of many of our SW DUP communities, south of Globe, AZ among beautiful mountains near the Gila River. The Dances of Universal Peace have been invited to this 16-acre intentional community, which has become an ideal location for the DUP. If you've been there, you know!

Vegetarian meals included – Delicious well water on tap - Tent, RV, car camping; indoor options available - Heated and solar showers - Hiking and archeology – Sauna, hot tub and swimming pool - Beautiful indoor and outdoor Dance and practice spaces!

Please accept the invitation to bring the Love, Harmony and Beauty of the Dances of Universal Peace to Wind Spirit Dance Camp again this Spring. Your presence will help make this retreat an *even more* radiant and blessed event!
